

## ***Prophetic Revelation: Networking the Nations***

Word for the Month: October 2011

### **The Calling and The Following**

**Then Jesus said to Simon " Don't be afraid; from now on you will catch men". So they pulled their boats up on shore, left everything and followed him.**

Where are you at today? Going about your daily business and everyday work! Have you worked all night with little reward?

You could be on the verge of a whole new experience within your natural calling that could catapult you into the next stage of your spiritual calling.

Strange how sometimes Jesus comes to us in our comfortable natural setting to show us that above and beyond that there is a higher and more eternal purpose being worked out before our very eyes.

He walks into our world to show us that His Kingdom, His Power, His Authority all work in perfect harmony with what He has called us to, and He shows us that this is exactly why He came. To empower, equip, commission and enable us to follow Him.

We may have to leave some things old and out of season behind, or it could be that we suddenly have fresh new insight into a formerly locked world view or work pattern, expect a life changing encounter ..... be prepared to "Put out into deep water".

The natural and the spiritual are intrinsically linked, our giftings, work and calling all merge together to combine at strategic times in our lives and suddenly like Simon we meet Jesus, He speaks to us and challenges us right where we are and asks us to listen.

**Listen** to His view of our natural efforts and His ability to change the outcome of our present negative experience.

**Obey** the clear instruction He gives us and, **Luke 5 v4 "Put out into deep water"** like Simon was asked to do.

**Follow** me Jesus said to Levi in **Luke5 v27** and Levi got up and left everything and followed Him

Everything we have been, everything we have experienced, everything we now are being, wonderfully united and transformed by the redeeming 'Master Plan' of God our Father, as He introduces us to Jesus in a new and living way, breathing into us afresh the Helper, His Holy Spirit giving us an invitation to :-

**Come Follow Me**

**and they left everything and followed Him.**
